THE COLLECTED LETTERS OF WILKIE COLLINS

ISBN: 978-1-57085-269-5

The new digital edition of the collected correspondence of Wilkie Collins incorporates and updates two earlier series by the same editors: the just under 3,000 letters included in the four volumes of *The Public Face of Wilkie Collins: The Collected Letters* (Pickering & Chatto, 2005); and the over 350 letters gradually added between 2005 and 2017 in the eleven numbers of *The Collected Letters of Wilkie Collins: Addenda and Corrigenda* issued by the Wilkie Collins Society. The process of updating includes a large number of corrections and revisions to both the letter transcripts and the accompanying editorial material, including in not a few cases changes involving the recipient and/or the dating. This is particularly so with the selection of nearly 600 letters initially published almost twenty years ago in *The Letters of Wilkie Collins* (2 vols; Macmillan, 1999), edited by William Baker and William M. Clarke. With few exceptions, these appeared in *The Public Face* only in summary form, but here all appear complete within the sequence, while the transcriptions and annotations alike have now been thoroughly revised.
